A True and Heartfelt "Thank You" to all the members of HAA, past and present. We would not be having our 50<sup>th</sup> now if each person who worked hard at their part to have a successful AITP for all the years previously hadn't done it. Those gone, will never be forgotten by us because they are remembered in the history of this event.

Happy October, Artyfolks!

I'll be brief, (for a change). After a whole year of preparations, the 50<sup>th</sup> Annual Art in the Park is almost here! September has been a busy, busy month, especially for Chairman Lois Bravo and myself. What with all the last minute business of getting it all together, wrapping it up and nailing it down, I, for one, am pooped. So, for now, just a few things:

Last month's Student Show and Reception was very well attended – almost like old times- and so, we will be holding the Show over for another month. Because the first Saturday of October is also the first day of Art in the Park, the gallery will be closed that day, and there will be no Reception or Open House held this month.

However, in November, we'll be making up for it by holding the first ever HAA Photography Open Show. By "Open", we mean that it is open to the whole community – not just to Gallery artists or HAA members. So if you think that you or someone you know who might have snapped that extra special must-be-seen photo, check out the entry form in this month's Artyfacts. There will also be some entry forms available at the gallery.

And *please, please, do!* set aside some time over the weekend of October 1 & 2 to join us at the park – whether as a helper or as a shopper, or even just as a hot dog eater. You might find some treasures for yourself and also get a jump on your holiday shopping. Your patronage will be much appreciated and, just maybe, you can do your own small part to challenge the Jeff Bezos retail empire.

Have a Happy Halloween!

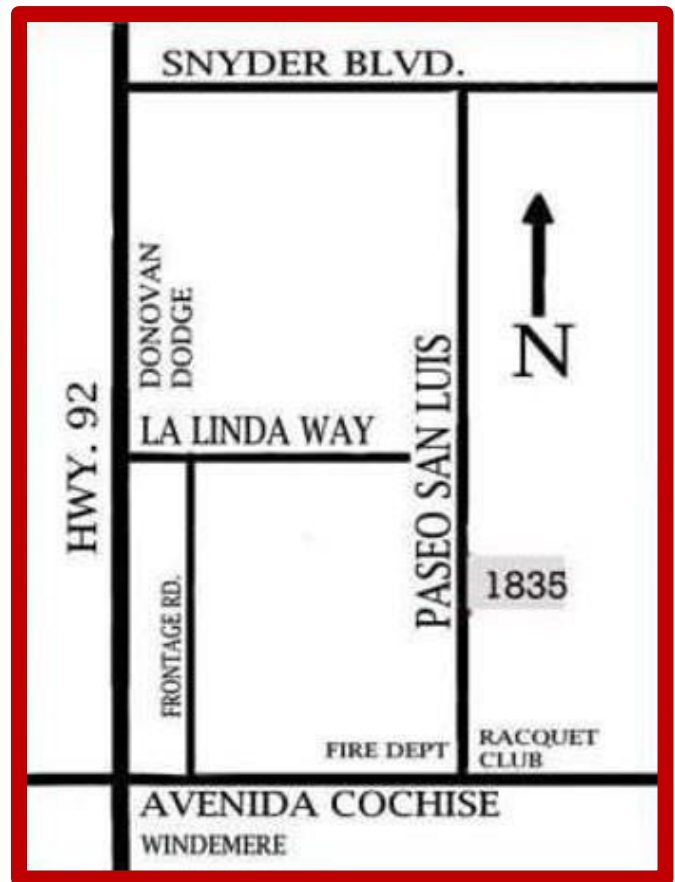

Liz

Instead of a reception this first Saturday of the month, (Oct 1) the gallery will be closed  
9-5 Saturday, 9-4 Sunday Come see us at the park!

Cold Wax is an oil painting medium which is a buttery soft paste made of beeswax mixed with a small amount of solvent and resin. The cold wax paste is mixed with the oil paint on the palette. Cold wax adds body, transparency and depth to the oil paint. It also speeds up drying time, increases the paint's workability and does not require the special ventilation of encaustic. Cold wax medium also combines readily with other mediums such as dry pigment, powdered charcoal, marble dust, chalk pastel, graphite and oils sticks.
