## ALL ABOUT FEATURED ARTIST KATHY RIEBOCK

**K**athy Riebock was born in Chicago, Illinois to Jim and Jan Pardi. We moved to Columbus, Ohio where my father started his dentistry practice and as the eldest of 4 children I learned to share, teach and dream. After graduation from Ohio Dominican College, I met my husband Tom, and started a family. In 2003 we moved across the United States with two children, Christine and Tim, and three cats. I immediately fell in love with the sunshine, the mountains, and the wide open spaces.

My passion for beading was ignited the first time I encountered the Tucson Gem Show eight years ago, Friends invited me and I've never looked back. The type of beads, the sizes and colors spoke to me, enabling me to produce jewelry with aesthetic appeal. Best of all, others enjoyed these creations. **Continued on pg. 2**

**ALL ABOUT FEATURED ARTIST KATHY RIEBOCK continued...**  
 Through the Huachuca Art Association at Art in the Park, I have fostered my dreams of jewelry design as a business. This event broadened my horizons as a business woman and as an artist. I have evolved to working with the finest materials that are accented with sterling, copper, or vermeil and do my best to give my clients time, customer service, and a piece of jewelry to express personal style as well as celebrating important milestones. I am grateful that my clients have chosen me to create such jewelry for them.

Kathy now serves as Jury coordinator for our new Gallery. She is a wonderful asset to the Huachuca Art Association.

## **ALL ABOUT FEATURED ARTIST JAYNE ALMODOVAR**

I am a self-taught artist with experience in different mediums, including but not limited to graphite, charcoal, pastels, acrylics, and oils. My learning has taken place mostly online, while reading books and also by making many, many mistakes and learning from them. Now I am honing my skills studying to be a professional artist.

Creativity has just been part of me since I was a little girl. I have always used art as a form of expression, singing, dancing, acting, painting, drawing, etc. I also love teaching! I started teaching dance classes at the age of fourteen, at my aunt's dance company where I was a dancer since the age of 7 and then moved to be a teacher and choreographer, winning many prizes with the Dance Company, and traveling all around my native country, Venezuela.

When I moved to the United States, I worked many different jobs. I kept my art as a hobby, as a way to express myself and relieve stress. Covid hit and my full-time job and my own studio (*which was in the process to open*) went down with it. So, I started teaching online art classes and that is what I have been doing for the past years since the pandemic started.

I just love teaching people what I know and passing down the knowledge to generations to come. Every day is a learning and teaching experience and a way to learn and perfect your craft.

*Kathy's & Jayne's Artwork* will be on display at the studio until **June 30th.**

Please stop by Tues-Sat 11 AM-5 PM to admire and enjoy their pieces: 1835 Paseo San Luis - Sierra Vista, AZ

## • *A Letter From Our President* - Liz Horning

Happy June Artyfolks,

Ahhhhh..... June!!! Our hottest month of the year. Really hot, and not in a seductive way. For those of you who can, now's the time to get out of Dodge. For those who can't, hunkering down and cranking up the AC will have to do. On the upside, for painters like me, this is the time of year when the paint dries the fastest, so it should be a really good time to get lots of work done. No excuses.

My congratulations go out to Chase Deleon, an aspiring filmmaker and musician who is this year's winner of the annual \$1500 HAA Art Scholarship. Chase is a very gifted graduating Buena high School senior who will be entering ASU in the fall to prepare for a future in film making. We wish him all the best in his college career and beyond.

With school out for the summer, Sue Ziegler has lined up a series of programs for children, underwritten by an art fund established by the family of Gail Klein, in her memory. They will be one-day events designed to introduce the kids of our community to a variety of different art experiences. These activities will be free to the children, and aimed at those ages 8-15. As of now, we are planning to have a glass mosaic and/or fusing with Mary Ann Kozel, beading with Lori Giliberto, and acrylic painting with Anne Lopes. Class sizes will be limited, so if you, or anybody you know has kids in that age range, please encourage them to sign up early.

Lastly, because there isn't a whole lot else going on right now, and, because it might help to get the creative juices flowing, I've decided to treat you all to selection of inspirational quotes – words of wisdom from some of our great artistic icons:

*"Every artist was once an amateur."* - Ralph Waldo Emerson

*"A line is a dot that went for a walk."* - Paul Klee

*"Color is my day-long obsession, joy, & torment."* - Claude Monet

*"Photography takes an instant out of time, altering life by holding it still."* - Dorothea Lange

*"I don't think there's an artist of any value who doesn't doubt what they're doing."* - Francis Ford Coppola

*"Painting, n.: The art of protecting flat surfaces from the weather, and exposing them to the critic."* - Ambrose Bierce

*"Great art picks up where nature ends."* - Marc Chagall

*"I saw the angel in the marble, and carved until I set it free."* - Michelangelo

Keep cool, and watch out for snakes,

*Liz*

This is a class that is going to be done on your own art, so bring 1 or 2 small to medium pieces to resin on. If you have any questions, please email [Darlene,artsydarlene@gmail.com](mailto:Darlene,artsydarlene@gmail.com)

From Darlene: I wouldn't resin on oil paint, I really don't know enough about that. Watercolor if mounted on a board, alcohol inks also mounted or on tiles and acrylic are ok. If you have nothing to resin bring a gessoed wood panel and I will bring some colored pigment powders so you can make a piece of art with that. I will supply the resin and a torch and other supplies. If you have a heat gun you can bring that as well. Wear old clothes and a mask only if you want to, but not needed.
